

Anti-Bullying Pledge

WHAT IS THIS?

This is an anti-bullying pledge that students can sign to demonstrate their commitment to promoting a safe and welcoming environment for everyone in their school or community. The pledge encourages students to take an active role in preventing bullying behaviour, speaking up if they witness bullying, and seeking help if they or someone else is being bullied. It is a tool that can be used to raise awareness about the impact of bullying and to foster a culture of respect and kindness among students.

WHO IS IT FOR?

Anyone who wants to stand against bullying can use an anti-bullying pledge. This can include individuals who have experienced bullying, parents who want to support their children, educators who want to create safe and inclusive learning environments.

Anti-Bullying Pledge

I understand that bullying is unacceptable behaviour that can cause harm and hurt to others. As a member of this community, I pledge to:

- Treat everyone with respect and kindness, regardless of their differences.
- Refrain from engaging in any form of bullying behaviour, including physical, verbal, or cyberbullying.
- Speak up if I witness bullying behaviour or if someone tells me they have been bullied.
- Refuse to be a bystander and instead take an active role in standing up to bullying and promoting a safe and inclusive environment.
- Seek help if I am being bullied or if I know someone who is being bullied.
- Be open to learning more about the impact of bullying and ways to prevent it.

I understand that as a signatory of this pledge, I am committed to promoting a safe and welcoming environment for everyone in this community.
