Consent and Acknowledgment

As the parent or legal guardian, I give my consent for my child to participate in "Unlocking Generative AI: The 2024 Student Challenge" organised by Cyberlite, with support from Microsoft. I understand that this challenge involves the use of generative artificial intelligence (AI) tools and platforms for educational purposes.

I acknowledge and agree to the following:

- **Educational Purpose:** The challenge is designed to educate students about the safe and responsible use of generative AI. It will involve the creation of a character demonstrating the application of AI in various careers or hobbies.
- **Use of AI Tools:** I give my permission for my child to use generative AI tools as part of the challenge for educational purposes only.
- **Data Privacy:** I am aware that participating in this challenge may involve the processing of personal data. I give consent for my child's data to be used, processed and disclosed solely for the purpose of participating in and facilitating the challenge, in accordance with the data privacy policy provided at <https://www.cyberlite.org/aichallenge-terms>.
- **Right to Withdraw:** I acknowledge that I have the right to withdraw this consent at any time, with the understanding that this may affect my child's ability to participate in the challenge.
